### DISCOUNT POLICY

Accounts may not receive multiple discounts except for the Pay-In-Full Discount. The greatest discount will be applied to the family account as appropriate (not applicable to credits).

Example: An alumnus enrolls a 3rd-grade and K3 student into FBS. Full tuition for both children totals \$14,580. The 15% Alumni Discount is greater than the Multi-Student Discount of \$980. Therefore, this family would receive only the Alumni Discount. The family could also receive the 5% Pay-In-Full Discount if paid in full by the deadline.
